March was a whirlwind... literally. Winter showed its true shade of white this month and kept everyone inside more than they would like to be. With the thawing and freezing cycles, we are going through, please everyone be careful going in and out of the building. You may have noticed a couple new people around the building here to assist in different ways! If you see them, please say hi and welcome them to the community:

- Arabella – new volunteer that helps with Saturday's events.
- Suzie – group fitness instructor here to help keep your blood pumping when Carrie is away.
- Rochelle – we have hired her business to help clean empty suites when our housekeeping is busy – and yes, she is available for hire by residents to help with deeper cleaning... and organizing!

Thank you to those residents that have come to their volunteer shifts at the front desk, it really has helped James on those days!

April has a lot in store for us right off the bat including, but not limited to, our Easter Buffet!

Spring should be here soon, which means we will start talking about getting out of the building! In late May-Early June we will plan to go to a green house to purchase plants for the Garden Club. Let us know ideas or plans you are willing to help with for Group Outings, and we will be happy to try to work with you to make it happen – these must be trips with in 1.5 hour drivetime, so... no we cannot go to Vegas for the casinos 😊

**Residents in the Kitchen**

This program has been going well and the participants seem to be having fun... even if our potatoes fell out of our perogy dough! For April, Angelito would like to teach everyone how to make *Pork Siomai* (Steamed Dumplings)! Bring your own apron if you like! The funnier the better!
