NOVEMBER 2025

NEWSLETTER

I would like to send out a very big thank you to those residents that have been so patient with the hot water issues. The parts are now in and the plumber is booked for Friday to complete the work.

There is an updated white board near the mailboxes that has a calendar and other announcements to help keep you up to date, not only with PWL, but also the Resident Council! So make sure to check the whiteboard for updates when picking up your mail.

Cold and flu season has been here and will likely stick around for the next little while. Please remember to take care of yourself. Also, for those that have a cold or cough that is contagious, please stay in your suite and utilize our tray pick up for meals.

"November comes, and November goes. With the last red berries and the first white snows."

CLYDE WATSON

The Resident Council will be hosting a wreath making event here for residents to make their own wreaths! Come down to the commons area and start using some your creativity to build a wreath you can show off. Sign up at the front desk to claim one of the 15

spots for this fun activity! \$10.00/person and if you want to bring any of your own crafty items to add to your wreath, of course feel free to bring! Rebecca will have extra items for purchase to add if you are unable to get to the store to purchase your own.

SMILE, YOU'RE ON CAMERA!

PWLPA's 3rd Annual Christmas Pop Up Shop

During the first week of November, you will be able to get some of your Christmas shopping done by coming to shop at our Christmas Pop Up Shop! We will have multiple vendors set up for you to peruse and purchase homemade goods, local businesses and even from our very own residents.

We have a couple of vendors that love to participate that cannot make it that day. Please check the calendar to see if we have a vendor on a different date.

Some expected vendors for 2025 include:

- 5th Avenue
- Afghans and Pens
- Christmas wreaths and other decorations
- Mary Kay
- Young Living Essential Oils\
- Residents Council Table – crafts and baked goods
- Slippers
- Spider plants
- And more!

Remembrance Day

Our Remembrance Day Service will take place on November 11th. We always do our best to ensure that we remember those who have fallen for our freedom and those that participated and lived to see the changes they helped make for us.

If you were any part of helping develop our freedom as Canadians, please let James know. We want to make sure we honor, thank and remember those that helped make Canada great.

What are the Community Paramedics?

Community Paramedics are based in P.A. via Parkland Ambulance. Anyone living in PWLPA has access to the program. These Paramedics are contacted through the front desk (please do not call them yourselves) and can investigate non-emergent symptoms.

You can also book blood work and sample gathering through them! When you see your doctor, please ask them to put in a requisition to the Community Paramedics for the sample required. The paramedics will then call and book an appointment with you!

REMINDERS

Let it Snow!

With November, comes snow. It is an inevitability of living in Saskatchewan. This year lets prepare and understand what that means for us and you.

PWLPA will clear snow from all common areas; sidewalks, parking lot and doorways. As residents, you (or your family) are responsible for clearing off and around your vehicles (including the stall) and balconies. 1-2 times per year (depending on snow and ice) we will give notice to residents to move vehicles, and we will have a full clean and sweep of the entire parking lot, including your stalls.

Enough about cars, now for yourselves! Please make sure to wear appropriate shoe and clothing attire to keep you safe and prevent slipping. We will always do our best to keep everything clear, but when we get to days with warm and cold weather, causing melting and re-freezing, we cannot always guarantee we will get every icy spot.

If you are going for a walk, please let us know by telling the front desk AND marking on the list that you have left the building at the front door. That way if there is an accident and we have not seen you for a while, we know to come look for you... especially if you do not have a cell phone. Stay Safe!

PWLPA's Annual Christmas Gala

We have started planning for our Annual Christmas Gala. This Gala is a black-tie event to celebrate Christmas together as a community.

The event will be Friday, December 12, 2025. Tickets will be available the 2nd week of November. No tickets will be sold before the announced sales date. An official invite will be sent out door to door with more information. For now, please know that you are welcomed to a maximum of 2 guests and may not give your tickets away.

If you are not bringing guests, please let James know and we will do a draw the last week of November to confirm who will get the extra tickets available.

More information to come soon!
